

Donate Now and Help Chelsea Community Kitchen Grow

We need your help to continue teaching children and adults about healthy eating, supporting farmers who provide fresh, local food, and nurturing new and innovative food businesses that keep our local economy strong.

Every donation helps. Here are examples of what your contribution could do:

- \$25 can provide a scholarship for one day of [Kids Cooking Camp](#)
- \$100 can pay for kitchen costs of one of our community events, like [Dinner and a Movie at Robin Hills Farm](#)
- \$200 can pay for an instructor for a [ServSafe class](#) or go toward a teacher for the Kids Cooking Camp
